# A simulation of the test is not an implementation of the wiring

Drew Lamarr Arrowood
Affiliation, email, and ORCID: pending confirmation. None are invented.

## Declarations

**Funding.** Not confirmed. Absence of funding is not declared.

**Competing interests.** Not confirmed. A sentence of the form "no competing interests" is not used.

**Ethics, consent, data.** No human subjects and no new dataset. The finite claims are those of the author's public technical note. No dataset DOI is recorded.

**Contribution and assistance.** Drew Lamarr Arrowood is the responsible author. Grok Bot, a Cursor cloud agent, drafted the text on 8 November 2026, beyond copy editing. The model version is not recorded. Verification is pending. The agent is not an author. No claim about consciousness or the moral status of any system is made.

## Anonymity

The review file omits the author's name. The guidelines require a separate title page and the removal of identifying material from the review file. Related drafts are already public, so anonymity is not claimed. This manuscript is an alternative adaptation, not an independent study. No submission has been made. Suggested reviewers were not invented.
